CHAPTER 13 PLAN

Part 1: Notices

Definitions: Definitions of several terms used in this Plan appear online at <https://www.nceb.uscourts.gov/local-forms> under the heading "Chapter 13 Plan Definitions." These definitions also are published in the Administrative Guide to Practice and Procedure for the United States Bankruptcy Court for the Eastern District of North Carolina.

To Debtor(s): This form sets out options that may be appropriate in some cases, but the presence of an option on this form does not indicate that the option is appropriate in your circumstances. Plans that do not comply with Local Rules and judicial rulings may not be confirmable.

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated if the plan is confirmed. You should read this plan carefully and discuss it with your attorney if you have an attorney in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the United States Bankruptcy Court for the Eastern District of North Carolina ("Court"). The Court may confirm this plan without further notice if no objection to confirmation is filed. In addition, you may need to file a timely proof of claim in order to be paid under any confirmed plan.

Only allowed claims will receive a distribution from the Trustee, and all payments made to creditors by the Trustee shall be made in accordance with the Trustee's customary distribution process. When required, pre-confirmation adequate protection payments shall be paid in accordance with Local Rule 3070-1(c). Unless otherwise ordered by the Court, creditors not entitled to adequate protection payment will receive no disbursements from the Trustee until after the plan is confirmed.

The following matters may be of particular importance to you. Debtor(s) must check one box on each line of §§ 1.1, 1.2, and 1.3 below, to state whether or not the plan includes provisions related to each item listed. If an item is checked "Not Included," or if neither box is checked, or if both boxes are checked, the provision will not be effective, even if set out later in the plan.

1.1	A limit on the amount of a secured claim, set out in Section 3.3, which may result in a secured claim being treated as only partially secured or wholly unsecured. This could result in the secured creditor receiving only partial payment, or no payment at all.	<input checked="" type="checkbox"/> Included	<input type="checkbox"/> Not included

In this case, this amount is \$ **4,850.56**.

Note that a separate motion must be brought if the collateral is real estate, but not if the collateral is personal property.

☒ The Debtor(s) request that the Court determine the value of the collateral securing each of the claims listed below. For each non-governmental secured claim listed below, the Debtor(s) propose to treat each claim as secured in the amount set out in the column headed "Amount of Secured Claim." For secured claims of governmental units, unless otherwise ordered by the Court, the value of the collateral listed in a proof of claim filed in accordance with the Bankruptcy Rules controls over any contrary valuation amount

Except as may be required by the "disposable income" or "liquidation" tests, or as may otherwise be specifically set forth in this Plan, no specific distribution to general unsecured creditors is guaranteed under this Plan, and the distribution to such creditors may change depending on the valuation of secured claims (including arrears) and/or the amounts which will be paid to holders of priority unsecured claims under this Plan, both of which may differ from the treatment set forth in Parts 3 and 4 of this Plan based on claims filed by secured and priority creditors, or based on further orders of the Court.
